

## **A CELEBRATION IN THE CANYON**

### **From the Lehi Centennial History**

For many years it had been the custom of Lehi people to go for outings and excursions to nearby American Fork Canyon, but July 24, 1893, was the date of the first official celebration conducted there.

Both the Lehi Silver Band and the choir spent Pioneer Day in the canyon, and with them went great numbers of citizens. An excellent program, together with picnic and sports, made up a successful celebration.
